The following patterns are miniature doilies that I created for a vendor at a dollhouse and miniature show. They consist of simple ring and chain construction. Nothing too complicated. Below each picture will be the pattern for it. I used size #100 cotton thread.

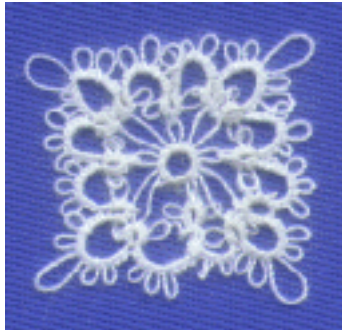

Abbreviations:

LR=large ring sr=small ring
ch=chain rw=reverse work
"-"=picot "+"=joining to
"--"=large picot

This doily is the size of a dime.

LR,2-2-2-2-2-2-2-2-2,close r, tie & cut.
sr,2-2+2-2,joining to LR,close r,rw
ch,3-2-2-3,rw
sr,2+2+2-2,joining to LR and to previous sr,rw
continue around to beginning of round.
Tie & cut.

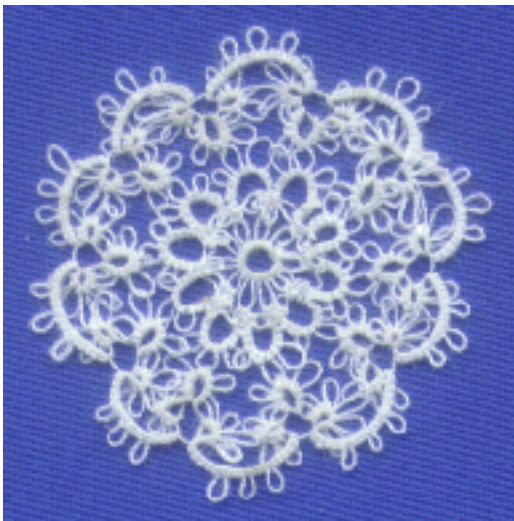

This is the same size as the doily above, but only a square motif.

LR,2-2-2-2-2-2-2-2-2,close r, tie & cut.
sr,2-2+2-2,joining to LR,close r,rw
ch,3-2-2-3,rw
sr,2-2+2-2,joining to LR,rw
ch,3-2-2--2-2-3,rw
sr,2+2+2-2,joining to previous sr and same picot of LR,rw
ch,3-2-2-3,rw
sr,2-2+2-2,joining to LR,rw
This completes one point of the square. Continue around to the beginning.

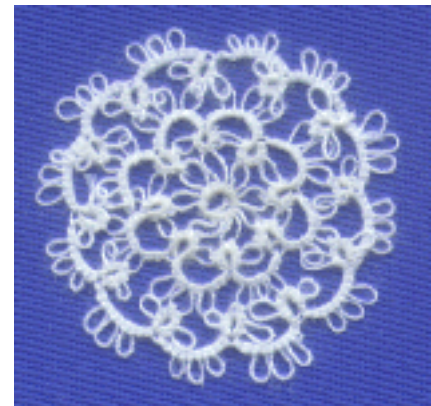

LR,2-2-2-2-2-2-2-2-2,close r,rw
LR,2-2-2-2-2-2-2-2-2,close r, tie & cut.
sr,2-2+2-2,joining to second picot LR,close r,rw
ch,3-2-2-3,rw
sr,2+2+2-2,joining to previous sr and LR
ch,3-2-2-3,rw
sr,2+2+2-2,joining to previous sr and LR
ch,3-2-2-2-2-3,rw
sr,2+2+2-2,joining to previous sr and LR
ch,3-2-2-3,rw
sr,2+2+2-2,joining to previous sr and LR
ch,3-2-2-3,rw
sr,2+2+2-2,joining to previous sr and LR
This completes half of the design. Finish the other half as before, but leave the first and last picots of the LR free.

This doily is the same size of a half dollar.

LR,2-2-2-2-2-2-2-2-2-2,close r,tie & cut
sr,1-1+1-1,joining to picot of LR,rw
ch,3-2-2-3,rw
sr,1+1+1-1,joining to picot of previous sr and to LR,rw
ch,3-2-2-3,rw
Continue around to the beginning. Tie & cut.
3rd round starts with a 3 ring clover.
sr,1-1-1-1-1-1,close r
LR,2+2-2+2-2-2,joining to last picot of previous r and to center picot of ch from previous round,close r
sr,1+1-1-1-1-1,joining to last picot of previous LR,close r
This completes 3 ring clover.rw
ch,5-3-3-5,rw
sr,1-1-1+1-1-1,joining to 3rd picot of adjacent sr,close r
LR,2+2-2+2-2-2,joining to last picot of previous r and to center picot of next ch from previous round,close r
sr,1+1-1-1-1-1,joining to last picot of previous LR,close r
Continue around to the beginning. Tie & cut.

This doily is the same size of a quarter.

The center part of the doily is the same directions as the dime size doily as above.
To do the outside edge:
sr,2-2+2-2,joining to center picot is ch on previous round,close r,rw
ch,3-2-2-3,rw
sr,2-2+2-2,joining to first picot of next ch on previous round, also to previous sr,rw
ch,3-2-2-3,rw
sr,2-2+2-2,joining to third picot of same ch on previous round, also to previous sr,rw
continue around to beginning of round. Tie & cut
