

# Booties

By Mrs. F. H. Beals

### Abbreviations:

R=ring

CH=chain

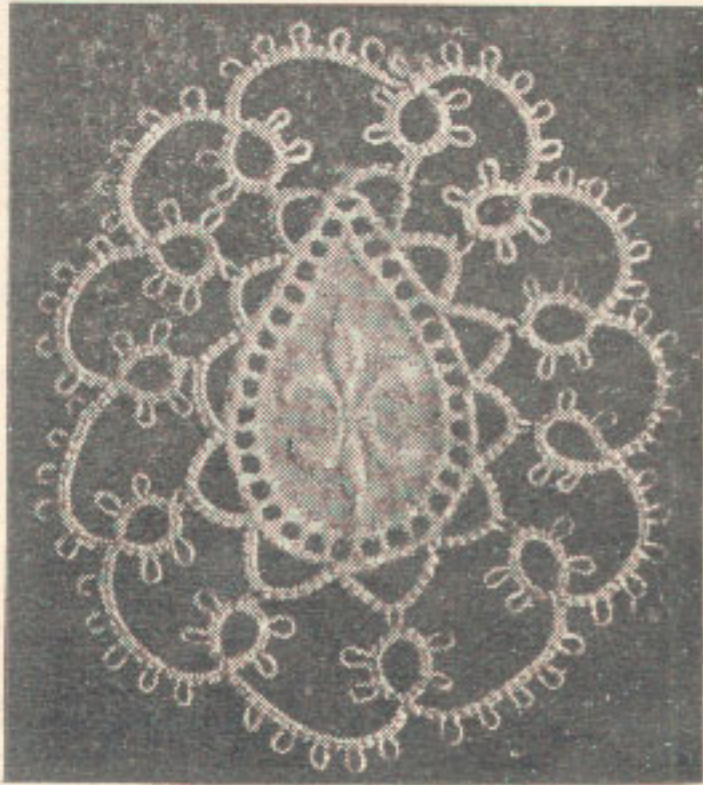

"-"=picot

"+"=join

rw=reverse work

p=picot(according to pattern stated)

clr=close ring

No. 8. - By Mrs. F. H. Beals

Very dainty medallions for lingerie, shirtwaists, and other articles are made by combining tatting with scraps of embroidery. Choose a section with beaded edge, and cut out neatly; or, if your bits have not the beading, work a simple purling around in buttonhole-stitch. Directions would vary somewhat, of course, with the shape of the embroidered medallion, and the arrangement of the purling. The model is worked as follows:

### Row#1

Join ball and shuttle threads to point of

embroidered article.

\*CH: 5-5, skip two spaces and join in next.

Repeat around, joining last CH where 1st started. Tie and work in ends.

### Row#2

\*R: 3-3-3+(to p of CH of Row#1)3-3-3, clr, rw

CH: 3-3-3-3-3-3, rw\*

Repeat R and CH all around. Join last CH to base of 1st R. Tie and work in ends.
